

# Consultant to discuss 'Dynamics of Change'

An ancient philosopher once said, "There is nothing permanent except change." Change is not always easy, yet it is a way of life for those living in today's professional world. Claudia A. Monte of CAM Consulting Services will discuss how change can become an opportunity for people to learn and grow, at "Advancing Your Career" Business Women's Expo and Seminar on Monday, October 25 at the Holiday Inn, Princeton.

Claudia Monte is president of CAM Consulting Services, a training and consulting firm that provides organizational consulting and needs assessments; innovative training programs for professional development; private training sessions/mentoring for individuals; experienced facilitators for meetings, retreats and dispute resolution; and dynamic speakers for conferences and meetings.

She has over 20 years' experience in management, marketing and communications, with the last 10 of those spent as a consultant, trainer and lecturer. She has been a speaker for the New Jersey State Bar Association, Association of Legal Administrators, Philadelphia Bar Association, New Jersey

School Boards Association, Society for Human Resource Management, Professional Secretaries International, New Jersey Association of Library Assistants and others.
